Dealer notes

Experience the future of driving with this pristine, Carfax 1-Owner 2023 Tesla Model 3 RWD. Finished in the striking Pearl White Multi-Coat exterior paint, this highly desirable electric sedan perfectly blends efficiency, modern style, and advanced engineering. Choosing a single-owner vehicle offers incredible peace of mind, ensuring this zero-emissions sedan has been well-maintained from day one. With its sleek aerodynamics, clean lines, and premium road presence, this Model 3 represents the pinnacle of modern automotive design, ready to elevate your daily commute. Behind the wheel, the 2023 Tesla Model 3 RWD delivers an incredibly responsive and engaging driving experience. Powered by a sophisticated, fully electric powertrain, this rear-wheel-drive sedan offers instant torque and seamless acceleration. The strategically positioned floor-mounted battery pack provides a remarkably low center of gravity, resulting in exceptional handling, stability, and cornering precision on the road. Navigating winding roads or cruising on the highway is smooth, silent, and highly efficient, redefining what you can expect from a daily driver. Inside, the minimalist Black interior cabin welcomes you with a sophisticated design focused on comfort and intuitive technology. The interior is anchored by Tesla's signature high-definition center touchscreen, which seamlessly manages navigation, entertainment, and vehicle settings. Passengers will enjoy the open, spacious feel of the cabin, which is enhanced by the expansive standard glass roof, while standard Autopilot driver-assist features provide added confidence on every journey. This single-owner 2023 Tesla Model 3 RWD is the perfect opportunity to step into a cutting-edge electric vehicle that compromises on neither style nor performance.
