Interior colour: —
Body type: —
Fuel economy: — city / — highway MPG
Dealer: Motorgroup LLC, Scottsdale, AZ 85260
Dealer phone: 480-993-3390

Dealer notes

Very RARE 2002 Triumph Bonneville Jubilee, 100 year anniversary of Triumph motorcycle 790cc, overhead cams. Bike is flawless ! Owned by a Triumph enthusiast that has kept it perfect ! At the time of original purchase, the dealer installed actual Triumph pea shooter mufflers, bar end mirrors, and sport fairing, it has only 1,435 actual miles. The bike's original sheet metal is Sky Blue and Silver. This sheet metal has been retained with the bike. Never ridden in the rain, and actually has never been wet. Always covered in a climate controlled environment. Acquired by the last owner from the original owner who purchased it new from his friend, a Triumph dealer in Pennsylvania. At the time of sale, the original owner also purchased a very limited (120 world wide) Triumph Golden Jubilee kit. Only 60 of these kits were imported to the U.S. Part #A9708015-ZGGH This kit commemorates the Queen of England's 50th year as reigning monarch. The paint scheme is based on the Union Jack, the flag of England. The kit was in the original Triumph box and consisted of 1 custom painted tank, 1 front and 1 rear custom painted fender, custom labeled side panels, 1 custom painted sport fairing. All parts, were untouched in their original packaging. Box and packaging with extra components come with the Triumph. Before installation of the Jubilee kit the gas was stabilized and then run through the engine. No fuel has been in the Jubilee tank while it was stored, just added fuel for sale offering recently. Very rare and in the top 1% for condition...
