Dealer notes

2012 International Altec Utility Truck Boom/Bucket Manlift Heavy Duty Commercial Truck. Diesel powered with the large altec articulating boom, low mileage, 350 pound platform capacity front bumper, heavy duty winch with what appears to be brand new cable, power out riggers, automatic push button Allison transmission, 11' 4" Traveling heights and 55 feet of working height, rear pintle tow ball and air hookups, Michelin tires 22.5, 105 degree articulating boom, work Lights and plenty more. Power company locally owned so this truck is not rusty underneath as most would be and has been fleet maintained since new as you can see from the photos even the storage boxes are not beat up and worn down like most. Photos may be similar due to the fact we have multiple of these available. If you're viewing this on any platform other than davis4x4.com or davisautosales.com please go to those websites directly to view more photos and the most accurate information. For financing assistance with multiple credit unions and lenders in state and out of state apply at www.davis4x4.com. (Please realize some vehicles may not qualify with all banks and all out of state situations; feel free to call ahead to verify.) We accept USAA, Navy Federal and other bank/credit union checks, as well as cash. We can provide bill of sale, copy of title, etc. - whatever they may request. We assist with transport to all 50 states even outside the country and will be happy to help with this process. Also, view our website www.davis4x4.com for full listings of our 250-350 stock and lifted, accessorized trucks and SUV's, gas and diesel, commercial work trucks, bucket trucks, work vans, box trucks, tow trucks/rollbacks, and custom hauling vehicles of all shapes and sizes.
