Dealer notes

The 2013 Ram 2500 4WD Reg Cab 140.5" Tradesman stands out with its robust performance and commanding presence. Its Bright White exterior is accentuated by the sleek appearance of the chrome package, giving it a refined yet rugged look that turns heads on and off the road. Inside, the cabin features a practical yet stylish Black/Diesel Gray interior, designed for comfort and durability. Equipped with Uconnect 5.0, this truck ensures connectivity and entertainment are always at your fingertips, making every drive both enjoyable and convenient. Under the hood, the powerful 5.7L 8-cylinder engine is paired with a four-wheel-drive drivetrain, delivering impressive towing and hauling capabilities. The anti-spin differential rear axle and electronic shift-on-the-fly transfer case offer enhanced traction and stability, especially on challenging terrains. With the Popular Equipment Group, this Ram 2500 is both a dependable workhorse and a versatile vehicle for any adventure. Its 140.5" wheelbase enhances maneuverability, making it suitable for both urban and rugged environments. In essence, the 2013 Ram 2500 Tradesman combines impressive performance with modern features, catering to those who demand power without compromising on comfort.
