### Dealer notes

Elevate your daily drive with this exceptional Carfax 1-Owner 2023 Tesla Model 3 RWD. Finished in a striking Solid Black exterior with a matching Black interior, this highly sought-after electric sedan offers a sleek, minimalist aesthetic that commands attention on any road. Purchasing a Carfax 1-Owner vehicle provides valuable peace of mind, ensuring this modern electric vehicle has been cared for by just one previous owner. With its seamless blend of cutting-edge technology and sophisticated styling, this Model 3 represents the pinnacle of modern, eco-conscious transportation. Built on Tesla's advanced rear-wheel-drive platform, the 2023 Tesla Model 3 RWD delivers an engaging and responsive driving experience. Powered by an efficient all-electric motor, this vehicle provides instant torque for swift, seamless acceleration and a remarkably quiet ride. The low center of gravity, resulting from the floor-mounted battery pack, ensures exceptional handling and stability through tight corners and highway stretches alike. Without the maintenance requirements of a traditional combustion engine, this rear-wheel-drive electric vehicle optimizes your daily efficiency while delivering a spirited, dynamic performance. Inside, the refined Black cabin of this 2023 Tesla Model 3 RWD embraces a premium, clutter-free design centered around driver and passenger comfort. The focal point of the interior is the signature 15-inch center touchscreen, which intuitively controls your navigation, cabin climate, and media. Standard amenities like the expansive panoramic glass roof flood the interior with natural light, while heated front seats ensure a cozy ride in cooler weather. Equipped with standard Autopilot driver-assist features for added confidence on the highway, this pristine, single-owner EV is ready for its next chapter—contact us today to experience it for yourself.
