Dealer notes

Elevate your daily drive with this exceptional, Carfax 1-Owner 2015 Tesla Model S 4dr Sdn AWD 85D. Finished in a stunning Deep Blue Metallic exterior that perfectly complements its sleek, aerodynamic silhouette, this premium all-electric sedan is designed to make a lasting impression. Inside, you are welcomed by a sophisticated Black interior that offers a modern, clutter-free sanctuary of comfort and style. Securing a vehicle with a documented single-owner history means inheriting a pedigree of consistent care, making this particular Model S a highly desirable find for pre-owned electric vehicle buyers seeking both quality and luxury. Beneath its striking exterior, this 2015 Tesla Model S features an advanced Electric Motor configuration paired with an intelligent All Wheel Drive system. The dual-motor AWD setup delivers power independently to both the front and rear wheels, providing exceptional traction, stability, and handling in all weather conditions. Operating purely on electric power, this sedan offers instantaneous torque and seamless acceleration without the noise or vibration of a conventional internal combustion engine. The low center of gravity, courtesy of its floor-mounted battery pack, ensures sporty, planted handling that makes every highway merge and winding road incredibly engaging. Step inside the cabin to experience the tech-forward design that redefined the modern luxury car. The interior is anchored by Tesla's signature 17-inch capacitive touchscreen, which centralizes media, navigation, and cabin controls alongside a fully digital driver instrument cluster. Passengers will enjoy the spaciousness of the four-door sedan layout, which offers generous legroom and versatile cargo capacity utilizing both the rear trunk and the convenient front trunk (frunk). Combining the peace of mind of a Carfax 1-Owner history with the proven capability of dual-motor AWD, this 2015 Tesla Model S 85D is ready to deliver an unmatched, emission-free driving experience for its next owner.
