Dealer notes

If you are searching for the ultimate commercial workhorse designed to tackle the most demanding jobs, this 2019 Ford Super Duty F-350 DRW XLT represents the pinnacle of heavy-duty capability. Built with a robust dual rear wheel (DRW) configuration, a 179-inch wheelbase, and a highly versatile 60-inch cab-to-axle (CA) layout, this truck is primed and ready for custom upfitting, whether you need a service body, dump bed, or flatbed. Finished in a clean White exterior, this rear-wheel-drive Crew Cab offers the perfect combination of professional utility and spacious cabin comfort, making it an invaluable asset for fleet operators and independent contractors alike who demand unrelenting reliability. Under the hood, this formidable truck is powered by the legendary 6.7L 4V OHV Power Stroke V8 Turbo Diesel B20 engine, delivering the massive torque and horsepower required for heavy-duty towing and hauling. Paired with a smooth-shifting TorqShift 6-speed automatic transmission, the powertrain is engineered to handle heavy payloads while optimizing efficiency under load. To support high-draw electrical equipment and aftermarket upfits, this F-350 is equipped with dual alternators providing a combined output of 332-amps. Combined with the enhanced stability of the dual rear wheel drivetrain, this truck provides the confidence and control needed when navigating challenging jobsites with heavy loads. Inside, the spacious Crew Cab configuration ensures your crew travels in comfort, featuring a practical Medium Earth Gray interior designed to withstand the rigors of daily commercial use. The XLT trim strikes the ideal balance between durable utility and modern convenience, offering a functional cabin layout with plenty of storage and legroom. Whether you are expanding your business fleet or upgrading your primary tow vehicle, this 2019 Ford Super Duty F-350 DRW XLT offers the proven diesel performance, dual-wheel stability, and upfit-ready chassis you need to get the job done efficiently.
