Dealer notes

Discover the perfect blend of everyday comfort and pickup utility with this sleek 2012 Honda Ridgeline 4WD Crew Cab RTL. Finished in a striking Crystal Black Pearl exterior paired with a sophisticated Black interior, this midsize truck delivers an upscale look along with exceptional versatility. Built with Honda's innovative closed-box unit-body frame, the Ridgeline provides a smoother, more composed ride quality than traditional body-on-frame trucks while maintaining the strength necessary for everyday hauling and light-duty truck work. Under the hood, this 2012 Honda Ridgeline is powered by a dependable 3.5L 6-cylinder engine matched with an advanced Four Wheel Drive system, offering confident traction across rain, snow, and rough road conditions. Utility is a standout strength thanks to the heavy-duty composite bed featuring Honda's signature Lockable In-Bed Trunk® for secure under-bed storage and a versatile Dual-Action Tailgate that opens both downward and sideways. Whether navigating city streets or hauling cargo for a weekend trip, this 4WD Crew Cab RTL provides a unique combination of efficiency, stability, and functional innovation. As the refined RTL trim, the interior is equipped with standard comfort features including leather-trimmed seating, heated front seats, a power moonroof, and dual-zone automatic climate control for ideal cabin temperature. Generous rear-seat legroom and flexible flip-up rear seats make accommodating passengers or extra gear effortless. Combining distinct styling in Crystal Black Pearl with proven long-term reliability, this 2012 Honda Ridgeline RTL is a smart choice for buyers seeking a practical, comfortable, and capable all-weather truck.
