Dealer notes

The 2017 Mazda CX-5 Grand Select AWD at MG Motors pairs responsive handling with the everyday versatility of a compact SUV. Its 2.5-liter SKYACTIV-G four-cylinder engine produces 187 horsepower and is paired with a six-speed automatic transmission. Mazda's i-ACTIV all-wheel drive helps maintain traction when road conditions change. Inside, leather-trimmed seating, heated front seats, and a power-adjustable driver's seat make the cabin comfortable for daily drives. A power moonroof brings in natural light, while dual-zone automatic climate control lets the driver and front passenger set their own temperatures. The Mazda Connect infotainment system features a 7-inch display, Bluetooth connectivity, and a rearview camera. A power liftgate makes loading easier, and the split-folding rear seats give you room for larger items. LED headlights and 19-inch alloy wheels give this CX-5 a distinctive look.
