Dealer notes

1972 Chevrolet Super Cheyenne C10 Truck. Big-block, automatic transmission, air conditioning, power steering, and power brakes. This very clean, well-put-together truck features an aftermarket retro-style radio, Nitto Proxes ST III 315/35R20 rear tires, staggered Milled and powder-coated wheels, and a steel cowl-induction hood. It has received lots of recent maintenance and presents extremely well from top to bottom. The paint features plenty of metallic and is finished in a beautiful two-tone Emerald Green Metallic and white combination. This is a very sharp classic C10 with the right combination of vintage styling, big-block power, modern upgrades, and an excellent overall presentation. Price does not include \$0 processing fee
