Dealer notes

Discover the perfect blend of modern style and sustainable driving with this exceptional Carfax 1-Owner 2024 Chevrolet Equinox EV 4dr RS. Draped in a sophisticated Sterling Gray Metallic exterior, this highly sought-after, limited-availability all-electric SUV immediately commands attention with its sleek, athletic stance and distinctive RS styling cues. Purchasing a Carfax 1-Owner vehicle offers incredible peace of mind, ensuring you are securing a well-maintained, modern electric SUV. For drivers looking to make a bold transition to electric mobility without sacrificing head-turning design, this pristine Chevrolet Equinox EV is an outstanding choice. Beneath its aerodynamic exterior, this 2024 Chevrolet Equinox EV delivers an advanced, zero-emission driving experience powered by its fully electric powertrain. Configured to meet California state emissions requirements, this SUV is fully compliant and optimized for eco-friendly performance. Charging is made incredibly convenient and versatile thanks to the included dual level charge cord, featuring dual-mode portable 120-volt (1.4 kW) and 240-volt (7.7 kW) capability. Whether you are plugging in at home for an overnight top-off or utilizing faster power sources, this vehicle is designed to keep your daily commutes and weekend adventures seamless and efficient. Step inside the cabin to experience a driver-centric environment highlighted by the striking Black with Red Accents Evotex seat trim, which perfectly complements the vehicle's sporty RS heritage. The refined interior is designed to maximize comfort, though buyers should note this specific unit comes with the deleted mobile service plus option. Combining its rare limited-availability status, a clean single-owner history, and cutting-edge zero-emission capability, this 2024 Chevrolet Equinox EV RS represents the future of driving today. Do not miss your opportunity to own a highly stylish and forward-thinking electric vehicle.
