This 2022 Forest River XLR Toy Hauler, featuring a clean and classic white exterior, represents the ultimate mobile basecamp for powersports enthusiasts and outdoor adventurers alike. Designed to bridge the gap between rugged cargo hauling and comfortable living, this premium toy hauler is engineered to carry your favorite outdoor toys—whether they are ATVs, motorcycles, or side-by-sides—directly to the heart of the action. Built with durability in mind, the 2022 Forest River XLR Toy Hauler excels in capability and utility. The rear ramp door provides seamless loading and unloading for your recreational gear, transitioning effortlessly into a heavy-duty cargo garage equipped with anchored tie-down points to keep your equipment secure during transit. Its engineered chassis and towing dynamics ensure a stable tow, allowing you to navigate highways and winding roads with confidence, while the white exterior helps reflect heat to keep the trailer more comfortable during warm-weather destinations. Inside, the XLR series maximizes every square inch, offering a versatile living space that easily converts from a high-capacity cargo hold to a welcoming retreat after a long day on the trails. Standard living amenities provide the essential comforts of home on the road, including dedicated sleeping accommodations, kitchen convenience, and onboard bathroom facilities designed for the active lifestyle.
