Dealer notes

Click here to view your video from Tim Vanzile Built to handle the most demanding commercial workloads with unyielding strength, this 2021 Ram 4500 Chassis Cab Tradesman 4x2 Regular Cab is the ideal foundation for your business fleet. Finished in a clean Bright White Clearcoat exterior, this heavy-duty workhorse features a 108-inch Cab-to-Axle (CA) length and a 192.5-inch wheelbase, offering the ideal layout for a wide range of custom upfit configurations. Designed with a rear-wheel drive, dual rear wheel (DRW) setup, this chassis cab delivers maximum stability, load capacity, and confidence when hauling heavy payloads to and from the job site. At the heart of this commercial truck’s capability is the legendary 6.7L I6 Cummins Turbo Diesel engine, engineered to provide exceptional torque, impressive towing capacity, and dependable long-term durability. The heavy-duty powertrain and rugged chassis architecture are built to manage extreme commercial demands without compromise. Completing its impressive utility, this vehicle rides on a set of six 19.5" x 6.0" aluminum wheels, combining heavy-duty strength with a sharp, professional appearance on the road. Inside, the functional Diesel Gray/Black interior offers an intuitive, durable cabin designed to keep operators comfortable during long shifts. Staying connected and on schedule is effortless thanks to the Uconnect 4C NAV with an 8.4-inch display (and Uconnect 4 with 8.4" display), bringing intuitive controls, navigation, and media into clear view. Plus, with the included 5-year Ram Telematics subscription, fleet managers can easily monitor vehicle health, driver efficiency, and operational data to optimize business performance. Reliable, versatile, and tech-ready, this 2021 Ram 4500 Chassis Cab is ready to get straight to work for your business.
