Dealer notes

Discover the future of driving with this pristine, Carfax 1-Owner 2023 Tesla Model 3 RWD. Draped in a sophisticated Midnight Silver Metallic exterior, this all-electric sedan combines cutting-edge sustainability with an eye-catching, modern aesthetic. Perfect for daily commuters and eco-conscious tech enthusiasts alike, this highly desirable single-owner vehicle offers peace of mind alongside Tesla's legendary innovation, making it an exceptional find for those looking to transition to electric driving without compromise. Engineered for efficiency and responsive handling, the rear-wheel-drive configuration of this 2023 Tesla Model 3 delivers an engaging and dynamic driving experience. The zero-emission electric powertrain provides instant torque for seamless, quiet acceleration, while the low center of gravity—courtesy of its floor-mounted battery pack—ensures exceptional stability and cornering agility. With its impressive electric range and rapid charging capabilities, this sedan is built to handle both daily city drives and highway road trips with effortless efficiency. Step inside to experience the striking contrast of the premium White/Black interior, which elevates the cabin's spacious, minimalist design. Standard highlights include a panoramic glass roof that floods the interior with natural light, a massive central touchscreen that seamlessly controls navigation and entertainment, and premium climate-controlled seating. Combining advanced technology, remarkable safety ratings, and the reassurance of a clean history, this 2023 Tesla Model 3 RWD represents a premier opportunity to own a cutting-edge electric vehicle that is ready for the road ahead.
