Dealer notes

Finished in Lapis Blue Metallic over a luxurious Graphite Grey Full Leather interior, this 2003 Porsche 911 Turbo (996) is an exceptionally well-kept example of one of Porsche's most iconic supercars. Combining timeless styling with everyday usability and exhilarating performance, the 996 Turbo continues to be one of the best values in the high-performance sports car market. Power comes from Porsche's legendary 3.6-liter twin-turbocharged Mezger flat-six, producing 415 horsepower and paired with a 5-speed Tiptronic S automatic transmission. With Porsche's confidence-inspiring all-wheel-drive system, this 911 Turbo delivers breathtaking acceleration, precise handling, and year-round drivability that few sports cars can match. This example is finished in the desirable Lapis Blue Metallic paint, beautifully complemented by a supple Graphite Grey Full Leather interior. Factory options include the 5-Speed Tiptronic S Transmission, Small Leather Package, Rear Center Console Painted in Exterior Color, and a Remote 6-Disc CD Changer, adding to both its comfort and originality.
