Built on decades of Subaru's legendary rally racing heritage, the WRX STI delivers an exhilarating combination of turbocharged performance, precision handling, and exceptional all-wheel-drive capability. Under the hood sits Subaru's celebrated 2.5-liter EJ257 turbocharged BOXER four-cylinder engine producing 310 factory horsepower and 290 lb-ft of torque, paired with a highly desirable 6-speed manual transmission and Subaru's advanced Symmetrical All-Wheel Drive system. The 2019 model year benefits from enhanced engine components, updated ECU calibration, and a revised transmission gear ratio, further refining the STI's legendary performance characteristics. Combined with performance-tuned suspension and Brembo braking hardware, the STI provides an engaging and confidence-inspiring driving experience. The striking WR Blue Pearl exterior perfectly complements the STI's aggressive front fascia, functional hood scoop, flared fenders, and unmistakable rally-inspired styling.
