Dealer notes

If you are searching for a highly reliable and work-ready commercial vehicle, this low-mileage 2019 GMC Savana Cargo Van RWD 2500 135" is an exceptional find. With just 54,845 miles on the odometer, this dependable workhorse is finished in a clean Summit White exterior, presenting a highly professional image for your business. Designed to maximize productivity, this rear-wheel-drive cargo van offers the ideal foundation for contractors, delivery services, or mobile technicians seeking a durable platform to scale their operations. Under the hood lies the robust Vortec 6.0L V8 SFI FlexFuel engine, providing the necessary horsepower and torque to haul heavy payloads with ease. This 2019 GMC Savana Cargo Van is engineered for demanding tasks, utilizing its rear-wheel-drive configuration and 135-inch wheelbase to deliver stable, predictable handling under load. Additionally, the inclusion of a heavy-duty locking rear differential ensures enhanced traction and control, making it easier to navigate challenging job sites and slick road conditions. Inside the cabin, the functional Jet Black and Medium Dark Pewter interior is built for long days on the road, upgraded with the Driver Convenience Package and cruise control for an easier, more comfortable driving experience. On the outside, the Chrome Appearance Package adds a premium touch of style to the van's rugged utility.
