Dealer notes

The 2021 Ford F-150 Raptor 4WD SuperCrew 5.5' Box in Oxford White offers an unrivaled blend of performance, capability, and style. Boasting a rugged yet sophisticated exterior, the Oxford White finish pairs seamlessly with the formidable stance provided by the 17" forged aluminum bead-lock capable wheels. The aggressive front grille and signature LED headlights further enhance its commanding road presence, while the twin panel moonroof offers expansive views for the adventurous drivers and passengers alike. Inside, the cabin harmonizes luxury with practicality, featuring a black interior that exudes a sleek and modern vibe. Drivers will appreciate the active cruise control and forward collision warning for added safety on longer hauls. The convenience factor is elevated by parking assist and various towing packages, making it an excellent choice for challenging terrain as well as everyday use. Heated seats offer comfort during colder months, while the advanced equipment group 801A high and Raptor carbon fiber package provide meticulous attention to detail. Additionally, the Raptor is equipped with sophisticated technologies, including a blind spot monitor, lane departure warning, and lane keep assist, ensuring peace of mind on the open road. Designed with a powerful 3.5L 6-cylinder engine and a robust four-wheel-drive drivetrain, this Raptor is engineered for performance and versatility. Whether you're towing, commuting, or exploring off-road paths, the Ford F-150 Raptor can handle it all with ease. Plus, the tow technology package enhances your capability to move heavy loads effortlessly. Whether navigating city streets or rugged trails, this F-150 Raptor delivers an unmatched experience in both comfort and capability. With dynamic styling and advanced tech, this SuperCrew blends the practical needs of a truck with the comforts one expects from a modern vehicle.
