Dealer notes

The 2016 GMC Sierra 2500HD 4WD Crew Cab Denali perfectly combines power and luxury, boasting an imposing presence with its Iridium Metallic exterior. Under the hood lies the robust Duramax 6.6L Turbo Diesel V8 engine, which is B20-diesel compatible, ensuring both power and efficiency for the toughest jobs. This Sierra is designed to handle any terrain with its Four-Wheel Drive system, offering superior performance and traction in all driving conditions. Inside, the plush Jet Black interior exudes sophistication, enveloping passengers in comfort and style. The cabin is equipped with the finest amenities, including a power sunroof that floods the interior with natural light and adds an air of spaciousness. For added safety, the Driver Alert Package provides state-of-the-art features designed to assist the driver in maintaining control and awareness on the road. With the Duramax Plus Package, this truck not only elevates its capabilities but also its convenience and ease of use, ideal for heavy-duty tasks. As part of the premium Denali style, this vehicle represents the pinnacle of GMC engineering, blending rugged durability with upscale elegance. Whether hauling heavy loads or cruising city streets, the 2016 GMC Sierra 2500HD Denali stands out as a versatile and reliable choice for those who demand the best of both worlds.
