Dealer notes

Vehicle Located in ME Zoom Classic Cars presents this beautiful 1989 Lincoln Town Car Sedan Signature Series. Acquired in 2003 by current owner from a relative with 80k miles and driven approximately 8500 miles since. Always meticulously maintained and garaged this Town Car features beautiful original Sandstone Clearcoat Metallic paint over tan leather interior in excellent overall condition with no rips or tears in the seating. Drivers seat has been always covered with sheepskin cover and the seat underneath is like new. 5 Liter 302CI V8 engine coupled with the AOD 4 Speed transmission with Ford 8.8 inch rear with 3.27 conventional gearing. 1989 was the last of the Lincoln Series to offer the Landau Top also referred to as the "Coach Roof", working opera lamps on the B Pillar, chromes accents all around the exterior and the classic Lincoln badging and hood ornament. Impressively preserved undercarriage. Independent coil springs upfront, and 4 link with coil springs provide the executive ride. Power disc brakes upfront, and power drums on the rear and all the power options you would expect from a well appointed Lincoln, windows, steering etc. Aftermarket AM/FM.CD and nice dash with wood applique trim in excellent condition. Original factory alloy wheels in excellent condition. Some things requiring attention are the Overdrive which only works intermittently but otherwise the car transmission shifts without issues through first 3 gears. The rear driver's side power window doesn't work and requires repair. The AC belt in the trunk needs to be installed and the high beam switch needs attention. Tires are in very good condition with plenty of tread but older and may need replacement. Car comes with full car cover, the original radio in the trunk, the original bumper jack and two spare tires, one full size and the other a smaller emergency donut. Car is stored in Maine with clean title in the owner's name. Reasonably priced considering minor issues needing attention.
