Riding on good tread 33 x 20 Mud terrain tires on 20 x 12 offset XD KMC wheels, 4 inch suspension lift kit, fender, flares, triple link side steps, LED tail lights, tow hitch receiver, spray in bedliner, extendable towing mirrors, tinted windows, 6.6 Duramax turbo diesel engine with Allison transmission, LT leather interior, heated memory power seats, cold ac, dual digital climate control, aftermarket touchscreen Kenwood stereo, husky liner floor mats and several other upgrades. This truck does show where it was sold at auction at one point in time structural on auto check typically due to the frame being modified for a lift kit or could be from something else that they noted. The lower section of the truck has been sprayed to make it two tone. The exhaust has been modified. The truck does have typical scratches nicks dings and paint imperfection.
