Dealer notes

2022 Ford F-150 Lariat Rocky Ridge K2 SuperCrew 4x4 – 44,252 Miles Finished in Agate Black Metallic over Black leather-trimmed bucket seats, this F-150 Lariat puts its $29,000 Rocky Ridge K2 Package front and center. A lifted stance, black wheels with machined accents, aggressive tires and Rocky Ridge badging give this SuperCrew a distinctive custom-truck appearance, backed by 5.0-liter V8 power and four-wheel drive. Power is delivered through an electronic 10-speed automatic transmission with Tow/Haul mode. A 3.73 electronic-locking rear axle helps manage traction, while the factory Trailer Tow Package adds an integrated trailer brake controller. A 36-gallon extended-range fuel tank adds practicality for longer trips. The Rocky Ridge K2 conversion is the defining upgrade on this truck, bringing its elevated stance and coordinated exterior details together with the comfort of the Lariat trim. Factory equipment includes Equipment Group 502A, a twin-panel moonroof, the Lariat Sport Appearance Package and the 360-Degree Camera Package. The cabin features heated and ventilated power front seats, driver-seat memory, dual-zone automatic climate control and a 60/40 fold-up rear bench. An 18-speaker B&O Unleashed sound system, SYNC 4 with a 12-inch touchscreen, wireless charging and a 400-watt onboard outlet add everyday convenience. Ford Co-Pilot360 Assist 2.0, blind-spot monitoring with cross-traffic alert, lane-keeping assistance and pre-collision assistance with automatic emergency braking round out the equipment. For a buyer looking for a lifted V8 pickup with a coordinated custom appearance and a well-equipped interior, this Rocky Ridge K2 combines a commanding presence with SuperCrew passenger space and Lariat comfort.
