Dealer notes

Experience the perfect blend of modern efficiency and cutting-edge automotive design with this 2018 Tesla Model 3 Long Range Battery AWD. Finished in a timeless Silver exterior that highlights its sleek, aerodynamic profile, this all-electric sedan redefines expectations for daily commuting and long-distance travel alike. Combining futuristic style with proven EV capability, it offers an engaging drive while standing out on the road with clean lines and a commanding presence.Equipped with an advanced All-Wheel Drive system, this dual-motor electric powertrain delivers smooth, instantaneous torque and exceptional all-weather traction. Free from the complexity of a traditional multi-cylinder combustion engine, the 2018 Tesla Model 3 utilizes its Long Range battery to provide impressive driving distance between charges. Whether navigating tight city streets or cruising on the highway, the low center of gravity and responsive AWD capability ensure a grounded, agile performance across a variety of road conditions.Inside, the spacious Black interior showcases a minimalist, modern cabin layout designed for comfort and effortless control. The quiet interior centers around an intuitive digital touchscreen that manages navigation, climate settings, and infotainment, creating a clean and user-friendly driving environment. With its winning combination of electric performance, refined styling, and all-wheel-drive confidence, this 2018 Tesla Model 3 Long Range Battery AWD is an ideal choice for drivers ready to elevate their everyday journey.
