Interior colour: BLACK
Body type: 2dr Hardtop
Fuel economy: — city / — highway MPG
Dealer: ROUTE 65 SALES, HAM LAKE, MN 55304
Dealer phone: 763-999-1098

Dealer notes

This 1968 Plymouth GTX is a TRUE GTX 'RS23' code car, finished in Ember Gold Metallic with a black vinyl interior. This GTX is an older restoration that still turns heads, has been well maintained, and is fun to drive. The paint on this GTX has its share of imperfections, but it still shines well. Chrome and brightwork are also in good condition and accent this vehicle nicely. The body is good, and the lines flow beautifully from front to back. Under the hood is a 440 CID Super Cammando V8 with an Edelbrock carb and intake, and factory A/C. Power meets the pavement with a Torque Flight 727 3-speed automatic and Sure Grip rear axle with 3.23 gears. Underneath, it tells an honest story: solid floors, a dual exhaust with an H-pipe and Flowmaster mufflers that sound every bit as good as they look, and factory power brakes and steering for a fun drive. Inside, the black interior stays true to 1968 with the original-style dash, full gauges, and that big three-spoke steering wheel. Dash, door panels, headliner, seats, and carpeting are all in great shape. The retrofit stereo is a nice blend of original look and modern sound. This great-running, driving Plymouth GTX would make a fine addition to any car collection!
