Dealer notes

The 2017 Toyota 4Runner Limited in black offers the capability and comfort you need for both daily driving and adventure. This four-wheel-drive SUV combines practical utility with refined appointments, making it a strong choice for those seeking a dependable mid-size vehicle. This 4Runner Limited is equipped with the following features: - 4.0L V6 engine with 5-speed automatic transmission - Four-wheel drive - SiriusXM AM/FM radio with CD player - Navigation system - Backup camera - Moonroof with tilt and slide function - Heated front seats with power adjustment - Split folding rear seats - All-weather floor liners and cargo tray - Running boards - Heated body-color mirrors with power adjustment - Roof rack with rails - Alloy wheels with locking lugs - Steering wheel-mounted audio controls - Auto-dimming rearview mirror The powertrain delivers steady performance on both highways and city streets. The 4.0L V6 achieves 17 mpg in city driving and 20 mpg on the highway, offering practical fuel economy for a vehicle in this class. Four-wheel drive capability provides confidence in varied driving conditions, while the available traction control and electronic stability control systems enhance safety and control. Inside, the Limited trim prioritizes comfort with heated front seats that adjust via power controls, a split-folding rear seat for flexible cargo space, and a leather shift knob adding a refined touch. The auto-dimming rearview mirror reduces glare during night driving, and the overhead console provides convenient storage. Climate control, power windows, power door mirrors, and remote keyless entry round out the daily conveniences. The cabin supports connectivity and awareness through its AM/FM radio with SiriusXM capability, CD player, and integrated navigation system. Steering wheel-mounted audio controls keep your focus on the road, while the backup camera and parking sensors assist with maneuvering. A garage door opener adds practical smart-home integration. Safety is supported through a comprehensive airbag system including dual front, side, and overhead options, along with anti-whiplash front head restraints and a knee airbag. Four-wheel disc brakes with ABS, traction control, electronic stability control, and low tire pressure warning systems work together to help maintain confidence during driving. The Safety Connect emergency communication system provides additional peace of mind. This 2017 4Runner Limited combines capability, comfort, and reliability in a vehicle designed to handle the demands of active ownership. We invite you to schedule a test drive and experience this SUV firsthand.
