Dealer notes

Offered for sale is this 1989 BMW 325i, an E30 that pairs the model's timeless design with a thoughtful list of mechanical, suspension, and interior updates. The cylinder head has been rebuilt with new valves and a new OEM camshaft. Recent maintenance also includes a new timing belt, water pump, hoses, and fuel line. The braking system features new front and rear rotors, stainless-steel brake lines, and EBC pads. The suspension has been updated with Eibach springs, new Koni struts and strut hats, Koni camber plates, new control arms, green polyurethane rear subframe bushings, and new trailing-arm bushings. This 325i has been converted to a five-speed manual transmission, complemented by a lightened flywheel, OEM clutch, Z3 1.9 shift linkage, and Z3 steering rack. A new cat-back exhaust completes the mechanical updates. Inside, the car features a custom UbeKaro interior with nine-stitch detailing. With its manual transmission and extensive refresh, this E30 offers a distinctive take on a classic BMW 325i.
