Dealer notes

FULLY SERVICED AND READY TO GO! 1998 Ford F-150 Extended Cab. ONLY 95K MILES! Two owners, accident-free CARFAX, and a clean Southern classic finished in great-looking blue over gray. Powered by the simple and proven 4.2L V6 with an automatic transmission, this is an old-school work truck from an era before pickups became complicated-and expensive. Cold A/C, extended-cab versatility, and remarkably low mileage for a 1998. It will go through our shop for a complete inspection and service before delivery and is already priced at its post-service price. A 28-year-old work truck with only 95k doesn't come along every day. **Please call or text before coming to verify price and availability. ***12-Month Maintenance Plan: \$299 on any vehicle. FREE with full asking price (excludes New Arrival vehicles). ****Nationwide warranties available on most vehicles starting at \$199, with terms up to 5 years. *****Our full-service repair shop, Turnage Auto Care Center, is here to keep you on the road.
