Dealer notes

FULLY SERVICED AND READY TO GO! 2012 Toyota Prius. Three owners, clean accident-free CARFAX, loaded, and still running and driving like new! This is about as well equipped as a Prius came in 2012, combining Toyota's proven hybrid drivetrain with the comfort and convenience features that make it a surprisingly nice car to live with. Best of all, it's still getting OVER 40 MPG all day long—exactly what a Prius is supposed to do. Comfortable, incredibly practical, cold A/C, tons of hatchback cargo room, and one of the most proven hybrid platforms ever built. Twelve years later, it's still making gas stations optional. *New Arrival price may adjust with our investment in repairs and maintenance.. **Please call or text before coming to verify price and availability. ***12-Month Maintenance Plan: \$299 on any vehicle.
