Dealer notes

2016 Ford Transit 350 HD XLT – EXTENDED HIGH ROOF – WHEELCHAIR ACCESSIBLE This is one of those vans you just dont see come up for sale very often. Only 34,218 miles and professionally converted by NorCal Vans into a wheelchair-accessible passenger van. If youve been looking for something like this, you already know how hard they are to find—especially with mileage this low and set up this well. This Transit is equipped with a BraunAbility wheelchair lift and a remote-operated rear door. The interior is extremely versatile with 10-person seating plus a wheelchair position, including 8 modular/removable seats. Extra seating can also fold up when you need additional room. The doors and windows were professionally retrofitted by NorCal Vans, giving it a factory-style passenger van appearance instead of looking like a basic cargo van conversion. Highlights: Only 34,218 miles Ford Transit 350 HD XLT Extended body High roof Dual rear wheels BraunAbility wheelchair lift Remote-operated rear door 10-person seating + wheelchair position 8 modular/removable seats Fold-up seating Professionally converted by NorCal Vans Cold A/C Excellent tires Lift showing approximately 12,370 cycles \$39,995 This would be a great fit for an assisted-living facility, senior transportation company, church, medical transportation service, care facility, organization, or anyone needing a properly equipped wheelchair-accessible passenger van. These do NOT come around every day. With only 34k miles, the extended high-roof configuration, dual rear wheels and professional wheelchair conversion, this is a seriously hard van to replace. Easy & affordable financing available OAC. Commercial financing options available as well. Come see it in person at Dave Morton Auto Sales before somebody who has been hunting for one finds it.
