Dealer notes

Are you looking to elevate your business operations or find the ultimate platform for a custom mobile workspace? The 2018 Ram ProMaster Cargo Van 2500 High Roof 159" WB is a premier commercial solution engineered to maximize your productivity. Finished in a professional Bright White Clearcoat, this commercial-grade vehicle offers the perfect combination of expansive cargo space and accessibility. The high roof configuration provides generous interior stand-up height, making it an incredibly versatile asset for contractors, delivery fleets, and mobile technicians who require a mobile workstation they can comfortably stand and move around in. Under the hood, this workhorse is driven by a reliable 3.6L V6 24V VVT engine, offering a robust 6-cylinder powerplant that delivers the dependable performance needed for hauling heavy payloads and navigating daily routes. The 159" wheelbase provides a stable, confident ride quality while optimizing interior cargo volume for oversized equipment and custom shelving setups. Designed with utility in mind, the front-wheel-drive system keeps the step-in height low, making loading and unloading heavy cargo efficient and physically demanding tasks much easier on your crew. Inside, the cabin prioritizes driver endurance with comfortable black cloth bucket seats that anchor a functional, durable Black interior. This 2018 Ram ProMaster is equipped with practical features designed to enhance daily driveability and safety, including daytime running headlamps for increased on-road visibility and power folding/heated mirrors that simplify maneuvering in tight spaces or clearing frost on cold mornings. Ready to work as hard as you do, this highly capable cargo van is the dependable partner your business needs to stay ahead of the competition.
