Dealer notes

2022 Polaris Slingshot S. This unit is still like new. We have completed a fresh service and inspection to ensure everything has been thoroughly checked and validated. It still has the factory mold marks on the tire tread, and with only 280 documented miles, it's about as close to showroom condition as you'll find. Equipped with a Rockford Fosgate premium stereo system and security key fob, this Slingshot has been exceptionally well cared for. All we had to do was wipe the dust and cobwebs off of it. Finished in Glacier Gray/Cement Gray, it has a sharp, modern appearance that really stands out. If you've been considering a new Slingshot, this is an excellent opportunity to save thousands while avoiding all the unnecessary dealer fees. Price does not include \$0 processing fee
