Powered by a dependable 1.8-liter four-cylinder gas/electric hybrid powertrain, this CT 200h delivers smooth performance while achieving impressive efficiency, with an EPA-estimated 43 MPG in the city and 40 MPG on the highway. Paired with an automatic transmission and front-wheel drive, it provides a comfortable and composed driving experience that is ideal for both daily commuting and longer drives. With 199,208 miles, this Lexus continues to reflect the long-term reliability and quality craftsmanship the brand is known for. The five-door hatchback design adds versatility and convenience, offering easy access to cargo space while maintaining a sleek and modern appearance. Inside, the CT 200h features a refined cabin with quality materials, supportive seating, and the upscale feel expected from Lexus. Its compact size makes it easy to maneuver in town, while the hatchback layout provides added practicality for everyday use. Combining luxury, efficiency, and versatility, the 2013 Lexus CT 200h stands out as an excellent choice for drivers seeking a premium hybrid vehicle with proven dependability.
