Dealer notes

The Mazda5's minivan-like seating and cargo versatility as well as its wagon size and pricing make it one of the top affordable compact wagons with a five-speed automatic transmission and an auxiliary input jack for connecting portable music players to the audio system. Blends the best qualities of wagons and minivans, including sliding rear doors. Small size, sliding doors make it easy to park. Features individual captain's seating for six, spread out in three rows. Folding seats allow more versatility for cargo than most wagons. This sporty van combines the ride of a sedan, the convenience of a hatchback, the easy access of a minivan, and the utility of a small SUV. The 5 has an unmistakably road-friendly character apparent in its responses and ease of parking, and an edge in visibility! Skip the Dealership!
