Dealer notes

2013 AUDI RS 5 QUATTRO | ARMYTRIX VALVETRONIC EXHAUST | VOSSEN VLE-1 WHEELS | $10K INVESTED Topline Auto Group is proud to present this beautifully modified 2013 Audi RS 5 Quattro Coupe, finished in stunning Gray Metallic over a Black interior with Gray accents. Powered by Audi's legendary 4.2-liter naturally aspirated V8 producing 450 horsepower, paired with a lightning-fast 7-speed S tronic dual-clutch transmission and Quattro all-wheel drive, the RS 5 delivers an exhilarating combination of high-revving performance, precision handling, and everyday usability. This particular example features approximately $10,000 invested in premium aftermarket upgrades, including an Armytrix Valvetronic performance exhaust system, H&R lowering springs, and a set of limited-production Vossen VLE-1 wheels. The Armytrix Valvetronic Cat-Back Exhaust System enhances the naturally aspirated V8's unmistakable soundtrack while offering adjustable exhaust valves for a more refined or aggressive driving experience. Complementing the exhaust is a set of 20-inch Vossen VLE-1 limited-production wheels, part of an exclusive design with only 400 sets produced. Combined with H&R lowering springs, the upgraded wheel and suspension setup gives this RS 5 a more aggressive stance while enhancing its already striking appearance. The exterior is further complemented by a ceramic coating, helping preserve the distinctive Gray Metallic finish and providing enhanced gloss and surface protection. Inside, the RS 5 features a driver-focused cabin with premium leather appointments, supportive sport seating, and Audi's signature attention to detail. With its naturally aspirated V8, sophisticated Quattro all-wheel-drive system, distinctive RS styling, and carefully selected aftermarket upgrades, this Audi RS 5 represents an outstanding blend of performance, luxury, and exclusivity.
