Dealer notes

“Ram 5500 Flatbed Rollback Tow Truck with Century Bed. This Cummins Turbo Diesel-powered truck is equipped with a 19.5' x 96" steel Miller Industries bed configured as a two-car carrier with a wheel lift. It has received an abundant amount of recent service and maintenance, including new tires, a turbo, turbo actuator, fluids, filters, tensioner pulley system, and power steering pump. No expense was spared in preparing this unit for sale. Features include left- and right-side stainless steel toolbox compartments, alloy wheels, dark tinted windows, an SLT interior package with fog lights, side steps, clean upholstery, removable aluminum blade rails on the bed, LED lighting, and a beacon light. Included with the purchase are straps, chains, and safety equipment to help get you started and ready to tow. This is a turnkey, ready-to-work unit that is prepared to go directly into service. Whether you're expanding your fleet or starting a towing business, this Ram 5500 offers the reliability of the Cummins diesel platform combined with the proven durability of a Miller Industries Century rollback system.” Price does not include \$0 processing fee
