Dealer notes

HAVE YOU SEEN A LIMITED EDITION FIRST RELEASE 2008 Dodge Challenger SRT8 LATELY? Number 4982 of ONLY 6400 made! This isn't just a Challenger-it's one of the cars that brought the Challenger BACK. After a 34-year absence, Dodge revived the legendary nameplate for 2008 with a limited First Edition run of just 6,400 cars, and every one was an SRT8 powered by the 425-hp 6.1L HEMI. This nearly showroom-condition example has no accident history on CARFAX and is loaded with heated SRT-badged leather, sunroof, push-button start, upgraded sound system, Brembo brakes, and an aftermarket exhaust that lets the HEMI speak for itself. Smooth, brutally powerful, and beautifully preserved, this is modern muscle with a genuine place in Challenger history. The Challenger came back in 2008-and it didn't come back quietly! **Please call or text before coming to verify price and availability. ***12-Month Maintenance Plan: \$299 on any vehicle.
