Dealer notes

*** Vehicle located in PA - Zoom Classic Cars presents this awesome Ford. This beautifully preserved 1950 Ford Custom 2 Door Sedan presents in stunning dark green and black, a classic two tone combination that highlights the car's iconic post war styling. The exterior has been repainted by the current owner and shows extremely well, with a deep shine and strong curb appeal. There are a few minor paint imperfections, including small blemishes on the exterior and near the driver's side window, all visible in the photos. Engine & Drivetrain: Under the hood sits the original flathead V8 engine, paired with the classic three on the tree manual transmission. The car starts easily, idles smoothly, and runs beautifully—exactly what you want from a well maintained Ford of this era. The drivetrain remains largely original, with sensible upgrades that improve reliability without compromising authenticity. Mileage & Title: Odometer shows 69,000 miles, but true mileage is unknown. Clear title. Interior: The cabin features a striking black and silver interior, a tasteful complement to the exterior colors. The front bench seat shows some wear from age, but the car includes new front and rear seat cover sets ready for installation. The dash speedometer is currently non functional, but the car has been upgraded with a working electronic speedometer. New black rugs are included, and a custom stereo with upgraded speakers adds modern convenience while keeping the vintage charm intact. Mechanical Condition: This Ford has been wonderfully maintained and cared for, with a long list of upgrades that enhance drivability and reliability: New electric fuel pump, New starter, New ignition components, Rear air shocks, New tires, 12 volt electrical system conversion, Electric wipers, Electric speedometer, Many spare parts included. The undercarriage is rust free and clean, a rare and valuable trait for a 1950s Ford. The car starts, runs, and drives amazing, making it an excellent candidate for weekend cruising, local shows, or continued restoration.
