Dealer notes

Unleash the ultimate off-road predator with this stunning 2013 Ford F-150 4WD SuperCrew 145" SVT Raptor. Finished in the highly sought-after and distinctive Terrain exterior color, this high-performance pickup demands attention whether it is conquering rugged desert trails or commanding the pavement. Designed by Ford's Special Vehicle Team (SVT), this iconic truck perfectly blends aggressive styling with unmatched trail-ready capability, offering truck enthusiasts a rare opportunity to own a true legend of the off-road world. At the heart of this 2013 Ford F-150 SVT Raptor is the powerhouse 6.2L 8-cylinder engine, delivering massive horsepower and torque designed to handle the most demanding terrain. Paired with a robust Four Wheel Drive (4WD) system, this SuperCrew model offers exceptional traction and control across mud, sand, and rock. Built to endure harsh environments, its heavy-duty off-road suspension and trail-proven architecture provide a commanding ride height and a level of utility that few other production trucks can match, making it the perfect companion for your next outdoor adventure. Inside, the spacious cabin is appointed with a premium Black interior and loaded with high-tier amenities, thanks to the highly desirable luxury equipment group and the convenient plus pkg. The cabin experience is further elevated by a power moonroof that lets in natural light, while the bold, aggressive look of the Terrain paint is perfectly accented by both the factory hood graphics pkg and exterior graphics pkg. Combining raw off-road dominance with everyday comfort and iconic styling, this exceptionally equipped 2013 Ford F-150 SVT Raptor is ready to elevate your driving experience to a whole new level.
