### Dealer notes

This classic 1979 Chevrolet Corvette is the kind of American sports car that still turns heads everywhere it goes. Finished in eye-catching red with a sharp white interior and removable T-tops, this C3 Corvette has the iconic long hood, aggressive curves, and unmistakable styling that made the late 70s Corvettes legendary. Powered by Chevrolet's famous 350ci V8 engine with rear-wheel drive, this Corvette delivers that classic rumble and smooth cruising experience that true collectors and enthusiasts love. 1979 was a record-breaking production year for the Corvette and featured improved comfort, updated aerodynamics, and refined performance over earlier C3 models. Inside, the white interior gives this Corvette a clean vintage look that pairs perfectly with the bold red exterior. The removable T-top roof panels let you enjoy open-air driving while still keeping the sleek coupe design intact. With its sporty cockpit-style interior, classic gauges, and timeless styling, this Corvette offers a true old-school driving experience that never goes out of style. Whether you are looking for a weekend cruiser, local car show standout, or an affordable entry into classic Corvette ownership, this 1979 Corvette is a beautiful piece of American automotive history.
