Dealer notes

This 2021 Subaru Forester Premium AWD arrives with no accidents reported on CARFAX and a prior certified pre-owned history, the kind of background that lets you skip the worry and get straight to enjoying it. The 2.5L DOHC Boxer engine with Dual Active Valve Control System and gasoline direct injection pairs with Subaru's symmetrical all-wheel drive to deliver traction that doesn't ask permission from the weather, whether you're navigating a February morning on I-94 or a gravel road up north on a Saturday. This is the SUV that people who actually drive in the Midwest choose when they're done compromising. Step into the cabin and the panoramic sliding glass sunroof spanning both rows changes the entire feel of the space instantly. Automatic climate control, an 8-way adjustable driver seat, deep tinted glass, all-weather floor liners, three 12-volt power outlets, and a 60/40 folding rear seat create a daily environment that works as hard as you do without ever feeling stripped down. Projector beam LED headlamps with adaptive auto-leveling, body-colored heated mirrors, and black bodyside cladding keep the exterior looking purposeful and current, not dated. Smart device integration, WiFi hotspot, HD Radio, satellite radio, and a 6-speaker audio system turn every commute into something worth looking forward to. Subaru's EyeSight suite adds automatic emergency braking, adaptive cruise control, and lane keep assist as a true safety net woven into the drive rather than bolted on as an afterthought. A prior CPO Forester Premium with AWD, a spotless accident history, and this equipment level is a harder find than most shoppers expect. Stop by Carlux in Waukegan and see what Chicagoland drivers already know about this one.
