Dealer notes

Meet the White 2022 GMC Acadiaan SUV thats ready for the weekday grind and the weekend escape plan. With an AWD drivetrain and a strong 3.6L V6 under the hood, it brings confident passing power and smooth, quiet cruising thanks to Active Noise Cancellation. Around town, the automatic Stop/Start system helps make traffic a little less wasteful (and yes, theres a disable switch when youd rather keep things old-school).When the forecast turns questionable, youll appreciate selectable drive modes, plus helpers like Hill Hold and Hill Descent Control to keep things composed on steep streets or slippery driveways. The ride is planted and controlled, backed by 4-wheel antilock disc brakes.Style-wise, this Acadia keeps it sharp: LED lighting, deep-tinted glass, gloss-black roof rails, and gloss-black 17 aluminum wheels give that clean White paint a bold contrast, while dual bright exhaust tips add a subtle sporty touch.Inside, its built for real lifesmart storage, lots of cupholders for every row, a 120-volt outlet for charging gear, and connected capability with available Wi-Fi hotspot support. And for peace of mind, a CARFAX report is available for this Acadia. At Montage Motors LLC quality is never compromised we only sell hand picked high quality used cars trucks & SUV's. For our customer's peace of mind we offer:A Free Carfax Vehicle Report available on every vehicle on our website www.MontageMotors.com.A 3 month / 4500 mile warranty comes included on every vehicle w
