Thank you for visiting another one of Mountain Motors LLC's online listings! Please continue for more information on this 2013 Toyota RAV4 XLE with 145,414mi. This SUV is a superb example of what a tough, work focused vehicle should be. Exceptional towing, acceleration and torque will help you get the job done. You could spend more on fuel each month than on your vehicle payments, so why not consider one with exceptional fuel economy like this 2013 Toyota RAV4. In addition to being well-cared for, this Toyota RAV4 has very low mileage making it a rare find. More information about the 2013 Toyota RAV4: The RAV4 was one of the first crossover utility vehicles, and for 2013 it's been redesigned to better fit its common use--by urban and suburban families who want a fuel-efficient, reliable, easy-to-park vehicle. The RAV4 is that, and the new version, with its 6-speed automatic transmission, is more efficient than ever, with EPA ratings of up to 31 mpg highway. An improved all-wheel drive system should also make this vehicle a smart pick for those needing to commute through snowy winters. Otherwise the RAV4 makes a welcome leap ahead in available in-car technology, with both a rearview camera system and Bluetooth connectivity now standard on the entire model line and several other active-safety features now optional. This model sets itself apart with good maneuverability, safety features, capable all-wheel-drive system, fuel-efficiency, upgraded connectivity and audio systems, and Roomy interior for a compact
