Dealer notes

Professional efficiency. Premium engineering. Built for business. This well-maintained CARFAX 1-Owner 2020 Mercedes-Benz Metris Cargo Van delivers exceptional versatility, outstanding efficiency, and premium German engineering for businesses that demand reliability. Finished in Arctic White over a durable Black interior, this midsize cargo van offers impressive maneuverability, generous cargo space, and a professional appearance that makes the right impression with every customer. Inspected, serviced and ready to go. 4 Month/4,000-Mile Warranty. Powered by a turbocharged 2.0L 4-cylinder engine producing 208 horsepower and 258 lb-ft of torque, the Metris delivers responsive performance while maintaining excellent fuel efficiency for daily deliveries, service calls, and commercial operations. Its rear-wheel-drive platform provides balanced handling and confident performance whether the cargo area is fully loaded or empty. Inside, the thoughtfully designed cabin offers comfortable seating, durable commercial-grade materials, and an ergonomic driving position that helps reduce fatigue during long workdays. The 126-inch wheelbase and standard roof maximize cargo versatility while maintaining a size that's easy to maneuver through congested city streets and parking structures. Technology includes Bluetooth, Apple CarPlay, Android Auto, Mercedes-Benz Audio System, USB connectivity, voice controls, rearview camera, steering wheel-mounted controls, and modern connectivity features that help keep your business moving efficiently. Safety features include the Safety Package, Premium Safety Package, Blind Spot Assist Package, Active Brake Assist, Crosswind Assist, Attention Assist, rearview camera, Electronic Stability Program (ESP®), traction control, advanced airbag systems, and Mercedes-Benz's comprehensive suite of driver assistance technologies. Convenience features include electrically adjustable front seats, cruise control, air conditioning, power windows, power door locks, power mirrors, remote keyless entry, multifunction steering wheel, and practical interior storage designed for commercial use. Purpose-built for professional applications, this Metris is equipped with a refrigeration prep package, making it an outstanding choice for catering companies, floral delivery services, pharmaceutical transport, food distribution, or any business requiring a specialized upfit for temperature-sensitive cargo. The spacious cargo area offers exceptional flexibility for shelving systems, equipment storage, delivery operations, or custom commercial conversions, while the standard roof design provides excellent accessibility without sacrificing clearance for parking garages and urban environments. Exterior highlights include the Arctic White finish, dual sliding side doors, wide-opening rear cargo doors, professional Mercedes-Benz styling, and durable commercial construction designed for years of dependable service. Efficient. Professional. Ready to work. Call (708) 972-7914 to confirm availability today. Frequently Asked Questions Q: How much horsepower does the 2020 Mercedes-
