### Dealer notes

The 2013 Ford F-150 4WD SuperCrew 145" SVT Raptor in dazzling Race Red is a blend of rugged power and sophisticated style. Its commanding presence is backed by a robust 6.2L 8-cylinder engine, designed to handle both the toughest terrains and the most refined city streets with ease. The four-wheel-drive system ensures that this truck is ready for any adventure, providing the capability and confidence to explore new horizons. Step inside to find a Black interior that seamlessly combines comfort and functionality, featuring premium power seats to ensure a smooth and personalized driving experience. The luxury equipment group enhances the cabin with modern conveniences such as Bluetooth connectivity, keyless entry, and an advanced telematics system. For safety and convenience, the truck is equipped with a parking assist system and a safety package that adds an extra layer of protection for both driver and passengers. The SVT Raptor's exterior showcases 17" forged aluminum bead-lock capable wheels, offering durability and a striking visual appeal. A power moonroof adds a touch of luxury, allowing natural light to flood the interior. The towing package further extends its utility, making it ideal for hauling large loads. Additionally, the front and rear-view cameras, part of the plus package, ensure that maneuvering and parking are both effortless and safe, rounding out a comprehensive suite of features that make this truck exceptional in every aspect.
