Dealer notes

This 1951 Ford Victoria Tudor Hardtop has all the character of an old-school custom with a look that stands out from every angle. The light mist green paint, emerald-green metallic-flake top, and brown accents on the hood, fenders, and trunk all come together for a look that fits this old-school custom perfectly. Its lowered stance is finished off with 15-inch wheels, wide whitewall tires, frenched headlights, finned rear fender skirts, and bright chrome throughout. Under the hood is a Ford 8BA 239 CID Flathead V8 paired with a 3-speed column-shift manual transmission with overdrive. The Flathead runs smoothly and breathes through a true dual exhaust, giving it the unmistakable sound these engines are known for. The overdrive provides an additional gear ratio for more comfortable cruising at road speeds. The floors, trunk floor, and frame rails are in great shape. The custom interior has a cream 50/50 split front-and-rear benches with metallic flake incorporated into the upholstery. The dash retains its original appearance with working gauges and the factory AM radio. This 1951 Ford Victoria brings together the details that define traditional customs. It is a great-running cruiser with a look all its own, ready to get out on the road and be enjoyed.
