Dealer notes

YOUTUBE VIDEO PRESENTATION LINKED BELOW. PLEASE READ FULL DESCRIPTION. ONLY 46K ORIGINAL MILES!! Absolutely BEAUTIFUL condition and very original final year LS2 GTO Coupe finished in Spice Red Metallic over Black Leather Interior with just 46K original miles since new! This car is in showroom quality condition inside and out and really must be seen (either in person or in my detailed video presentation) to appreciate how clean and original it is. Unfortunately however, due to a heavy rain event in Texas, the original owner was paid out by insurance in 2017 and the car's title was marked as flood damaged. The vehicle was then purchased by a reseller in KY in 2017 and inspected here in Ohio and received a rebuilt title in 2018 with 42K miles. The Carfax shows no accidents or incidents and shows no evidence of any water damage that we can find as you will see in my detailed YouTube video presentation. We have done a very thorough inspection and service on the car and have verified there are no issues to be addressed and that every single item we could find to test is in proper working order, including all power seat functions, mechanicals, and even the factory 6CD changer radio! We have fully inspected and checked everything including replacing all the tires due to age, oil service, new headliner, and full detail and paint correction. The car runs and drives amazing with no issues that will need to be addressed and is in extremely original stock condition including original exhaust, intake, wheels, etc. The body looks to be all original as well with no signs of damage repairs I could find to disclose. The interior is in amazing condition with zero signs of any water damage or corrosion, even under the seats, power seat tracks, rear seat tub, carpets, etc. The car even has the OEM Pontiac GTO carpet floor mats still in place in excellent condition with no signs of water damage. Please check out the detailed YouTube video that provides all evidence and information to see just how incredibly clean this very desirable final year GTO really is! A great opportunity to save big on a super clean GTO with a cool story!
