Dealer notes

2014 Mercedes-Benz SL550 Roadster | Diamond White Metallic over Porcelain/Black Nappa | Sport Wheel Package Some color combinations just look right, and this one hits the mark ! This SL550 just came in on trade, finished in extra-cost Diamond White Metallic over Porcelain/Black Perforated Nappa Leather. The white paint and cream interior with black accents give it the look of a Riviera car, and it's one of the best-looking SLs we've had in the gallery. Last owner just serviced prior to trade, ready to enjoy ! Performance The SL550 has a 4.6-liter biturbo direct-injection V8 making 429 hp and 516 lb-ft of torque. It runs through a 7-speed automatic with steering-wheel shift paddles and selectable ECO, Sport and Manual modes, and Mercedes quotes 0–60 in 4.5 seconds. The body is almost entirely aluminum. The Adaptive Damping System and speed-sensitive Direct-Steer keep it composed on a canyon road and comfortable on the highway. Two cars in one The power retractable hardtop folds away in about 16 seconds, so you get an open roadster for Arizona winters and a quiet, sealed coupe for July. With the top up, the Panorama glass roof fills the cabin with light. With the top down, AIRSCARF blows warm air across your neck and shoulders from the headrests, so a cool desert evening is still top-down weather. Factory options: \$4,635 on the original Monroney Sport Wheel Package (\$2,000): 19" AMG 5-spoke wheels on staggered 255/35 front and 285/30 rear tires, plus the Sport Brake System with enlarged front discs and painted calipers Porcelain/Black Perforated Nappa Leather (\$900): Sun-reflecting premium leather with contrast stitching and piping on the armrests and center console Diamond White Metallic paint (\$795) Wood/Leather Steering Wheel (\$590) Illuminated Door Sills (\$350) Burl Walnut Wood Trim and a Black Headliner Equipment COMAND with a backup camera, a Harman Kardon premium sound system, SiriusXM, Bluetooth and audio streaming, PARKTRONIC front and rear, PRE-SAFE, and Attention Assist. It also has adaptive high-intensity headlamps with adaptive high beams, LED running lights and taillamps, power-folding heated mirrors, a HomeLink garage opener, and a power tilt/telescoping column. Dual-zone automatic climate control and a refrigerated glovebox round it out, it's Arizona, everybody needs a refrigerated glove box ! This SL is priced well under what it cost new (in 2014 this one stickered at \$112,260) and is ready for top-down season.
