Dealer notes

If you are searching for a dependable, hard-working partner to elevate your business, this 2017 Chevrolet Express Cargo Van RWD 2500 135" is ready to deliver. Finished in a clean and highly professional Summit White, this commercial-grade vehicle projects the ideal image for your brand while offering the legendary durability that fleet operators demand. Whether you are an independent contractor, an artisan, or managing a growing delivery fleet, this reliable cargo van provides the perfect, versatile canvas for your custom shelving, tools, and daily transport needs. Under the hood, the heart of this 2017 Chevrolet Express Cargo Van is a potent 4.8L 8-cylinder engine, providing the robust horsepower and torque required to haul heavy payloads with confidence. Built on a sturdy 135-inch wheelbase, this RWD 2500-series model offers an excellent balance of expansive rear cargo volume and steady, predictable handling. To ensure you never get stuck on demanding job sites or slick surfaces, this van is equipped with a heavy-duty locking rear differential, directing power to the wheels with the most grip for seamless traction when you need it most. Inside, the cabin features a practical Neutral interior color scheme that provides a comfortable, low-maintenance workspace for those long hours on the road. Driver comfort and convenience are elevated by the convenience package, which includes a tilt-wheel steering column and (K34) cruise control to reduce fatigue on highway transits. Furthermore, maneuvering in tight urban spaces or backing up to loading docks is made simple and safe with the integrated rear vision camera and rear park assist system. Designed to work as hard as you do, this capable utility van is a smart investment that is fully primed to drive your business forward.
