Dealer notes

This 1947 Ford Super Deluxe Tudor comes in bright silver with a gray leather and cloth interior. It rides on 15" chrome wheels with dog dish hub caps and has a good stance. This Ford has a few dents here and there, but it has a sturdy body with no rust. Your chrome, stainless, and brightwork show some aging and pitting. Under the hood is a strong running 239 CID Ford "Flathead" V8 that is quiet and runs smoothly. It's mated with a rebuilt 3-speed transmission. It runs on a 6-volt system. It has a true dual exhaust that has a nice note to it. The frame is good in shape, and the floors are solid. The interior is clean and is in good condition. The front bucket seats are leather, and the rear bench seats are cloth. The door panels, headliner, and carpet are in good shape and show only minor flaws. The dash is mostly stock except for added gauges to better monitor engine performance. Other options include LED courtesy lights, a power driver's seat, and an AM/FM stereo on a separate 12-volt battery with a solar charger. This Ford drives great on the road, whether on the freeway or city streets. This 1947 Ford Super Deluxe Tudor is a great running car that you can enjoy as is or take to the next level!
