Dealer notes

2024 Ram ProMaster 2500 — One Owner, Maintained to the Mile, Ready to Work Powering this 2024 Ram ProMaster 2500 is a hardworking 3.6L Pentastar V6 engine producing 276 horsepower and 250 lb-ft of torque, backed by a smooth 9-speed automatic transmission built to handle the relentless pace of commercial duty without missing a beat. A documented history of regular oil changes and single-owner care tells you everything you need to know about how this van has been treated — with the kind of discipline and consistency that translates directly into long-term reliability and maximized uptime. This is not just a used commercial van; this is a proven, well-kept asset ready to earn its keep from day one. Step inside and experience a workspace engineered around the operator who depends on it most. The low load floor and wide rear cargo doors make loading and unloading fast and effortless, while the massive interior volume handles everything from oversized equipment to high-stack deliveries with room to spare. The ergonomic driver's seat, tilt-adjustable steering column, and intelligently laid-out dashboard keep fatigue at bay across full commercial workdays, and generous cab storage ensures tools, routes, and daily essentials stay organized and always within reach. Uconnect infotainment delivers a responsive touchscreen display with Bluetooth hands-free calling and audio streaming that keeps every driver connected and on schedule across every stop on the route. A rearview camera, electronic stability control, hill start assist, and trailer sway control provide a rock-solid safety foundation built for demanding real-world commercial conditions in every season. Whether you're scaling a delivery operation, building out a mobile service fleet, or putting a dependable workhorse to immediate use — this one-owner, meticulously maintained ProMaster 2500 is the rare commercial find that checks every box.
